Technical Assessment Round – Website Developer

Company: Cojective
Submission Deadline: 19th September 2026, 12:00 PM
Required Technology: JavaScript

Please refer to the Figma design provided and develop the assigned webpage/interface as closely as possible to the given design.

Figma Design

https://www.figma.com/design/62jhQFbgIuYgeO84ZvPmVF/CJ_Technical-Round_Devloper?node-id=1-259&t=bV5wbOsAhcBhvR9A-1

Deployment Requirement

Please deploy your completed work on any **free hosting/server platform** available to you and share the **publicly accessible deployment link** along with your submission.

Evaluation Criteria

Your submission will be evaluated based on the following:

1. Development Practices
• Clean, structured, and maintainable code
• Appropriate use of JavaScript and development best practices
• Logical implementation and attention to detail

2. Design Accuracy
• How closely the final implementation matches the provided Figma design
• Attention to layout, spacing, typography, responsiveness, and visual details

3. Timely Submission
• Submission must be completed and shared **on or before 19th September 2026, 12:00 PM**
• Late submissions may not be considered for the next stage of the selection process.

Please ensure that your deployment link is accessible and working at the time of submission.

Submission to be sent on
